Be Part of the **Movement**

EVIS America 2026 brings the world of sustainable mobility to the U.S. for the first time — a cross-sector platform where innovation, policy, and investment converge.

Sponsorship provides direct access to decision-makers shaping the future of electric, hydrogen, and autonomous mobility.

Join OEMs, infrastructure leaders, policymakers, and investors as they connect, collaborate, and build the next decade of transport innovation.

Why Sponsor EVIS America?

Unmatched Visibility:

3 days of concentrated exposure across the exhibition floor, main stage, and digital channels.

Audience that Matters:

Engage C-suite executives, engineers, government leaders, and investors from North America, Europe, and Asia.

Thought Leadership:

Position your brand alongside keynote sessions and sector-defining conversations.

Lead Generation:

Connect with a qualified audience through pre-event, onsite, and post-event marketing touchpoints.

Built on a proven platform — five successful editions in Abu Dhabi now expanding to the U.S.

Your Gateway to the North American Market

EVIS America offers flexible sponsorship opportunities to fit your goals — whether you're looking to showcase innovation, build brand awareness, or host executive meetings.
