# Exhibitor Options

## As an Exhibitor, You Will:

- Gain exposure to a highly targeted audience of health care professionals who are committed to patient safety and are seeking new ideas and solutions
- Launch and demonstrate new products and services
- Gather sales leads that will continue to deliver business long after the Congress is over
- Meet clients and new prospects face-to-face, building rapport
- Conduct valuable market research with the most focused audience for the patient safety field and gauge how your organization, products, and people are perceived
- Benchmark against your competitors and research the key trends and themes in today's market

### IHI Congress Hall

In keeping with the educational and networking focus of the IHI Patient Safety Congress, and to deliver the greatest value and access for exhibitors, supporters, and attendees, the traditional exhibit hall format will again be crafted to reflect a learning and solutions-driven environment.
